

10 for 10 on the 10th

EIC Day is coming on the 10th September 2021 to celebrate the founding of the Electrical Industries Charity more than a century ago.

In the same fashion as our founding patrons, we're asking industry members to raise £10 to show their support for the Charity and sector colleagues in need.

To raise £10, we'd love to see you complete a challenge of 10. It could be 10 of anything, 10 miles walked, 10 lengths swam, 10 press-ups, 10 portraits drawn, 10 cupcakes iced, or 10 books read. We've named this challenge 10 for 10 on the 10th and want to get as many industry members involved as we can.

To get involved all you need to do is take on a 10 for 10 on the 10th challenge of your choosing and once you've raised your £10 donate this to the EIC by clicking the button below or scanning the QR code:

DONATE £10

We would love to see how you get on with your challenge. Tag us in your videos and photos [@electricalcharity](#) or show us on LinkedIn. Search for 'The Electrical Industries Charity'.
